key features

Firmness- medium firmness.

Rolled & compressed- vacuum packaged in carton for easy transportation.

Visco foam- a synthetic foam based material that moulds to the shape of your body as pressure is applied & returns to normal shape after pressure is released. Visco is designed to ensure correct spinal support & removes pressure from shoulders & hips. Visco is hypoallergenic & breathes easily.

Pocket springs- individually wrapped springs which offer individual support & significantly minimise the disturbance from a partner.
