

Dream Maker

Quilting- 100% bamboo cover is ultra soft, breathable & anti bacterial. Cover is removable & washable for hygiene.

3 zoned support- the torso section of the mattress will be slightly firmer than the head and feet sections in order to accommodate different pressure needs of the body & provide extra spinal support.

Charcoal memory foam- a synthetic foam based material infused with charcoal that moulds to the shape of your body as pressure is applied & returns to normal shape after pressure is released. This foam is designed to ensure correct spinal support & removes pressure from shoulders & hips. It is hygienic & hypoallergenic & breathes easily.

Pocket springs- individually wrapped springs which offer individual support & significantly minimise the disturbance from a partner.

Boxed edge support- pocket springs are encased by an edge of polyurethane foam to provide extra support around the sides of the mattress, particularly when sitting.

Rolled & compressed- vacuum packaged for easy transportation.
