key features

Quilting- 100% bamboo cover is ultra soft, breathable & anti bacterial. Cover is removable & washable for hygiene.

3 zoned support- provides additional comfort for sleepers who require a firm support for the spinal section of their body. The torso section of the mattress will be slightly firmer than the head and feet sections in order to accommodate different pressure needs of the body.

Gel visco- is designed to mould to the shape of your body to ensure correct spinal support & remove pressure from shoulders & hips. Also has cooling gel inserted into the foam to moderate temperature whilst sleeping.

Charcoal foam- antibacterial & antimicrobial. Adds freshness & helps reduce odours.

Pocket springs- individually wrapped springs which offer individual support & significantly minimise the disturbance from a partner.

Packaged in a box- mattress is rolled & compressed for easy transportability.
