## dimensions (mm)

King size	1830(W) x 2030(L) x 330(H)
Queen size	1530(W) x 2030(L) x 330(H)

## key features

**Quilting-** super soft polyester fabric cover.

**Euro top-** an extra layer of comfort which covers the entire surface of the mattress top and is flush with each side of the mattress so it looks more like part of the bed.

**Gel visco-** is designed to mould to the shape of your body to ensure correct spinal support & remove pressure from shoulders & hips. Also has cooling gel infused into the foam to moderate temperature whilst sleeping.

**Consoluted foam-** for resilience & lasting comfort.

**Pocket springs-** individually wrapped springs offer balanced support & significantly minimise the disturbance from a partner. Springs are separated into 5 zones with variable tension for weight distribution & spinal support.

**Foam boxed edge support-** firm polyurethane foam is used around pocket springs to provide edge support around the complete mattress whilst sitting or sleeping.
