

Latex Grandeur

Quilting- super soft fabric cover (knit stretch & chasmere).

Euro top- an extra layer of comfort which covers the entire surface of the mattress top and is flush with each side of the mattress.

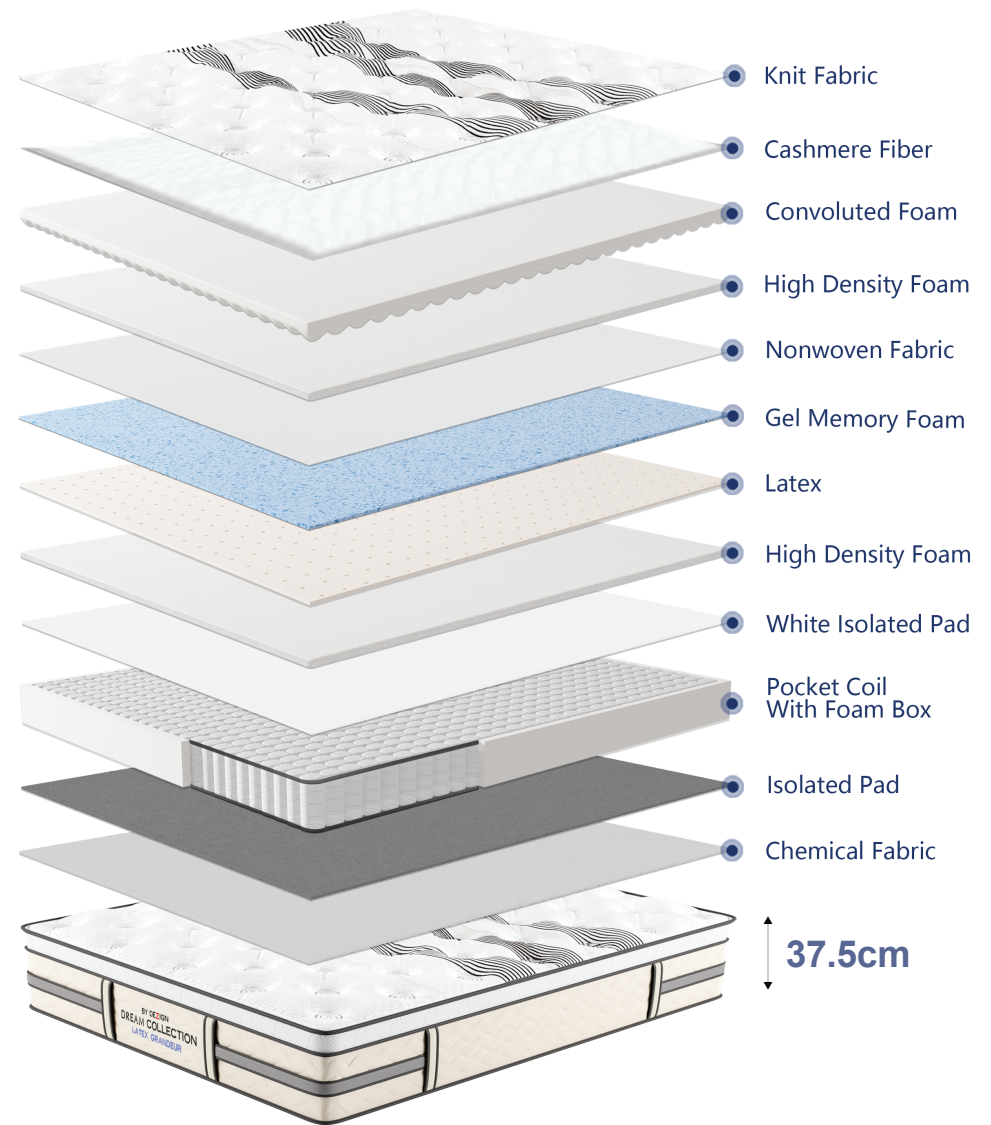

Latex- natural latex is inherently anti-bacterial and anti-microbial, ideal for asthma or allergy sufferers. It moulds to the contours of the body, providing correct support and superior comfort.

Gel memory foam- is designed to mould to the shape of your body to ensure correct spinal support & remove pressure from shoulders & hips. Also has cooling gel infused into the foam to moderate temperature whilst sleeping

Pocket springs- individually wrapped springs offer balanced support & significantly minimise the disturbance from a partner.

Isolated pad- blocks out any noise generated from the metal springs rubbing against each other.

Foam boxed edge support- firm polyurethane foam is used around pocket springs to provide edge support around the complete mattress whilst sitting or sleeping.
