

Platinum Support

Quilting- thick tencel fabric (which is super soft & breathable).

Euro top- an extra layer of comfort which covers the entire surface of the mattress top and is flush with each side of the mattress.

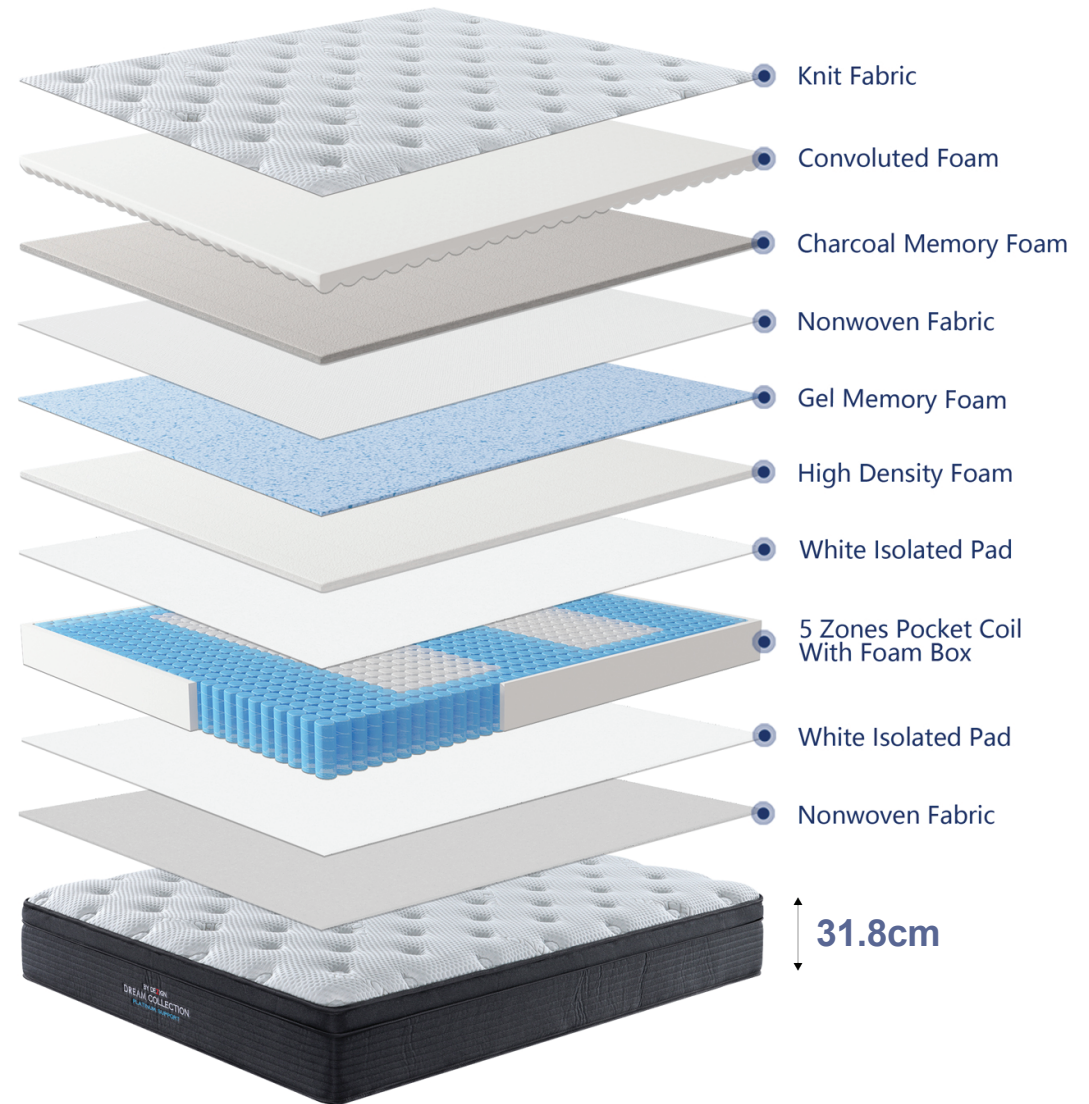

Gel memory foam- is designed to mould to the shape of your body to ensure correct spinal support & remove pressure from shoulders & hips. Also has cooling gel infused into the foam to moderate temperature whilst sleeping.

Charcoal memory foam- antibacterial & antimicrobial. Adds freshness & helps reduce odours.

Pocket springs- 1300 individually wrapped springs (in queen mattress) offer balanced support & significantly minimise the disturbance from a partner.

5 zoned support- springs are separated into 5 zones with variable tension for weight distribution & spinal support.

Foam boxed edge support- firm polyurethane foam is used around pocket springs to provide edge support around the complete mattress whilst sitting or sleeping.
